2. HOCKEY TOURNAMENTS AND SHORT-TERM EXCHANGES/EVENTS

- 2.1 At the minor hockey level, teams frequently take advantage of billeting for your players for tournaments and team exchanges. This is an affordable and beneficial experiences for players.
- 2.2 There are rewards in it for everyone. For the billet families, it means opening up their homes to young hockey players giving them an opportunity to share experiences within the billet family unit, and for the player being billeted it is a chance to share different cultural and social experiences. For all of us, it is a time to make new friends and renew old friendships, share ideas, laugh, and live in a different family situation.
- 2.3 To ensure a safe, enjoyable environment for everyone involved, the Ontario Hockey Federation recommends the following set of Guidelines.

3. FOR TEAM ADMINISTRATORS

- 3.1 Billet families specific to tournaments and exchanges should have a young son or daughter involved with the event. The billet family should complete a Hosting Family information form (**Appendix 1**) prior to the event.
- 3.2 In addition, the league and/or team should create a screening process using the guidelines identified in the Ontario Hockey Federation Screening Policy. This can include an application form and reference checks. It is mandatory that a Criminal Record Check and Vulnerable Sector Screening Check be completed for all who are 18 years of age and older and who are residing in the home. The following link takes you to the Ontario Hockey Federation Screening Policy.
 - 3.2.1 https://www.ohf.on.ca/media/5w2pnt4s/ohf_screening_policy_5.pdf
- 3.3 Ensure that only responsible, reliable billets who meet the standards outlined by the Ontario Hockey Federation are chosen.
- 3.4 Ensure that parents of the billeted players are made aware of the billeting families’ contact information and, if possible, that they meet the billeting family either by phone or in person.
- 3.5 Inform billets of any special needs of the players they will billet, including illnesses, medication and dosage guidelines, and any special dietary requirements. This can be recorded on the card displayed in **Appendix 2**.
- 3.6 Ensure that players are fully aware of their ability to contact team staff 24 hours a day if they have any issues with the host family. Cards with their team staff’s contact information should be given to each player. (**Appendix 2**)
- 3.7 Make players and host families aware of the guidelines below and ensure host families have full schedules for the team’s events.

- 3.8 Ensure host family has access to the player's medical insurance information in case it is required in an emergency.
- 3.9 Ensure host family has emergency numbers for team staff and the billeted player's parents. (Appendix 3)

4. FOR HOST FAMILIES

- 4.1 When possible, the billet family should billet two players from the same team. This may alleviate any apprehension a player may have specific to staying with a host family.
- 4.2 A player should not share a bedroom with anyone other than the hosting player, providing that the host is of the same gender.
- 4.3 Two players with more than a 2-year age difference should not share a bedroom. If this is unavoidable due to space in the home, a third person should be present, or the door should be left open at all times.
- 4.4 No sexual contact will take place between visiting players and hosting players, the host family, or those who live with the host family.
- 4.5 Transportation to and from sporting events will be overseen by the host athlete/family. Visiting players should not accept rides from anyone other than designated people.
- 4.6 Make your billet feel at home with good family hospitality.
- 4.7 Provide your billet with necessary meals as required based on the scheduled games, practices, and outings.
- 4.8 Team members should be advised that unauthorized "after hours" social functions are strictly forbidden. They may only attend functions designated by the Organizing Committee or organized by their team officials.
- 4.9 If your billet does have permission to go out, give them a definite deadline by which to be home and know their whereabouts.
- 4.10 Do not lend your billet money. Their team managers or they themselves are responsible for their pocket money.
- 4.11 Do not lend your billet any motor vehicle.
- 4.12 Team members will be expected to pay for any telephone calls, but it is important that your billet has access to a telephone to do regular check-ins with their parents.
- 4.13 Billet families are to disclose the location of all surveillance cameras on their property that cover an area which a billet may have access to.

5. FOR BILLETING PLAYERS

- 5.1 When billeted in someone's home, be polite and courteous at all times.
- 5.2 Remember "please" and "thank you".
- 5.3 Be considerate and offer to assist your hosts.
- 5.4 As a guest, you are expected to follow the normal routine of your host family.
- 5.5 Check and obey all house rules, but do not be afraid to speak with your team coaches or your parents if you are unsure about anything.

- 5.6 Always keep your hosts informed of your movements and if delayed unexpectedly, contact your hosts immediately.
- 5.7 Do not borrow money or motor vehicles from your hosts.
- 5.8 Ask before using the telephone unless it is an emergency situation.
- 5.9 Remember that unauthorized “after hours” social functions are strictly forbidden. You may only attend functions designated by the Organizing Committee or organized by your team officials.
- 5.10 Remember: You are a guest in someone else’s home!

6. JUNIOR HOCKEY – LONG-TERM BILLETING (SEASON LONG)

- 6.1 It is recognized that some youth players do leave home to play hockey in a location away from their parents. In these circumstances, the organization or team typically arranges for the player to live with a host or billet family. When young players live outside their homes, risk to the player and host families is increased if guidelines are not adhered to. All organizations and teams that arrange for players to live with host families shall have written policies and procedures in place to govern the arrangement.
- 6.2 All billeting policies and procedures reflect the following Guidelines:

7. FOR TEAM ADMINISTRATORS

- 7.1 Identify a billet coordinator for all teams that billet players. See example job description in **Appendix 4**.
- 7.2 The host family should complete a Hosting Family information form (**Appendix 1**) prior to any event.
- 7.3 In addition, the league and/or team should create a screening process using the guidelines identified in the Ontario Hockey Federation Screening Policy. This includes an application form and reference checks. It is mandatory that a Criminal Record Check and Vulnerable Sector Screening Check be completed for all who are 18 years of age and older and who are residing in the home. The following link takes you to the Ontario Hockey Federation Screening Policy.
 - 7.3.1 https://www.ohf.on.ca/media/5w2pnt4s/ohf_screening_policy_5.pdf
- 7.4 The following are recommended steps to accompany the hosting family:
 - 7.4.1 In-home interviews with all members of the family present.
 - 7.4.2 Reference checks.
 - 7.4.3 Criminal Record Checks and Vulnerable Sector Screening Checks as outlined above.
 - 7.4.4 Orientation with respect to league/team expectations.
 - 7.4.5 Supervision and Evaluation.
- 7.5 Creating clear guidelines for the host family and the player specific to household rules, curfews, mealtimes, chores, duties and responsibilities, and discipline is essential.
- 7.6 Ensure that players are fully aware of their ability to contact team staff 24 hours a day if they have any issues with the host family. Cards with their team staff’s contact information should be given to each player. (**Appendix 2**)

15. APPENDIX 6 - AN IMPORTANT WORD ABOUT HAZING

- 15.1 Hazing is defined as “an initiation practice that may humiliate, demean, degrade, or disgrace a person regardless of location or consent of the participant(s).”
- 15.2 The OHF has no tolerance for hazing rituals and very strong regulations against these types of behaviours. As a host family, we look to you to work with your team to assist us in eliminating hazing from the hockey environment. The role of a billet parent is essential when it comes to maintaining the safety of the player living with you. Remember, what might seem harmless to one player, may be devastating to another.
- 15.3 Hazing, in most cases, occurs at team gatherings, and initiation and humiliation of the rookies is at the forefront. The team gathering may be talked up to be a night of “team bonding” or a “welcome party,” however, in many cases, the exact opposite ensues, and hazing becomes the focus.
- 15.4 If a player approaches you about hosting or attending a team function or you become aware of an unsupervised team party, it is important to note that:
 - 15.4.1 Many of these players may be underage and are legally not allowed to drink alcohol.
 - 15.4.2 If the party is being held in your home or at a location you are responsible for, you are responsible for any consequences of these types of events.
 - 15.4.3 It is your responsibility to ensure proper supervision and guidelines are put in place regarding the activities. Hazing-type activities will not be tolerated in any form.
- 15.5 Hazing may also occur during other team activities such as road trips, but once again, team staff and administrators must realize that hazing of any form will result in consequences to those involved and/or with knowledge of these types of behaviours.
- 15.6 As much as it is our responsibility to ensure a player’s safety on the ice, it is also our job to maintain a safe environment off the ice as well. The OHF makes its stance on hazing very clear within its regulations.
- 15.7 Communication Tips
 - 15.7.1 Create an atmosphere that invites communication with your player(s)
 - 15.7.2 Watch for signs that your player may be uncomfortable with a situation
 - 15.7.3 Respond responsibly to any concerns you may have regarding your player’s safety.
