NOHA MEMO

Guest Players

The NOHA will sanction having a “Guest Player” during Home Games under the following conditions:

1. The Association and/or Team is to submit the proposed Players name, Team name, and Date of Birth to the NOHA Office and your NOHA District Council Director three (3) business days before the proposed game.
2. The player must be registered with the NOHA as a player for the current season.
3. The Association and/or Team must supply a chaperone (Parent) for this player during their entire time with the team. The player is not to be left alone with any of the Coaching Staff or other players.
4. For skating drills during warm-up, the player may participate. Once the pucks start being used, the guest player must stay close to the centre ice markings to avoid being hit by a shot.
5. The Association and/or Team will be responsible for the actions and conduct of this Guest Player.
6. The player may stand on the Blue Line for the singing of “O Canada” and then must leave the ice and bench area.
